

Get a **FREE DECON T-SHIRT**
when you purchase over **SGD100.00**
worth of **DECON90** in a single order!

How clean is your lab?

Decon90 is the leading surface active cleaning agent / radioactive decontaminant for laboratory, medical and industrial applications.

It is biodegradable, phosphate-free, bactericidal, non-flammable and totally rinsable.

DECON90 is suitable for cleaning and/or decontaminating glassware, ceramics, rubbers, plastics, stainless steel and ferrous metals. Being alkaline, DECON90 is NOT suitable for use on non-ferrous metals, notably aluminium and zinc, or on polycarbonate. DECON90 is NOT suitable for domestic applications.

To take advantage of this special redemption offer, please contact your Fisher Scientific sales representative. Terms and conditions are subject to change. Promotion valid till 31st December or while stocks last. Offer valid in Singapore only.
